

FOCSRA

bringing the mission to life

Friends of Capital Springs Recreation Area, Inc. (FOCSRA) is a 501(c)(3) non-profit organization that supports the Capital Springs Recreation Area by developing, promoting and maintaining educational and recreational opportunities, and the protection of the area's natural resources and habitat.

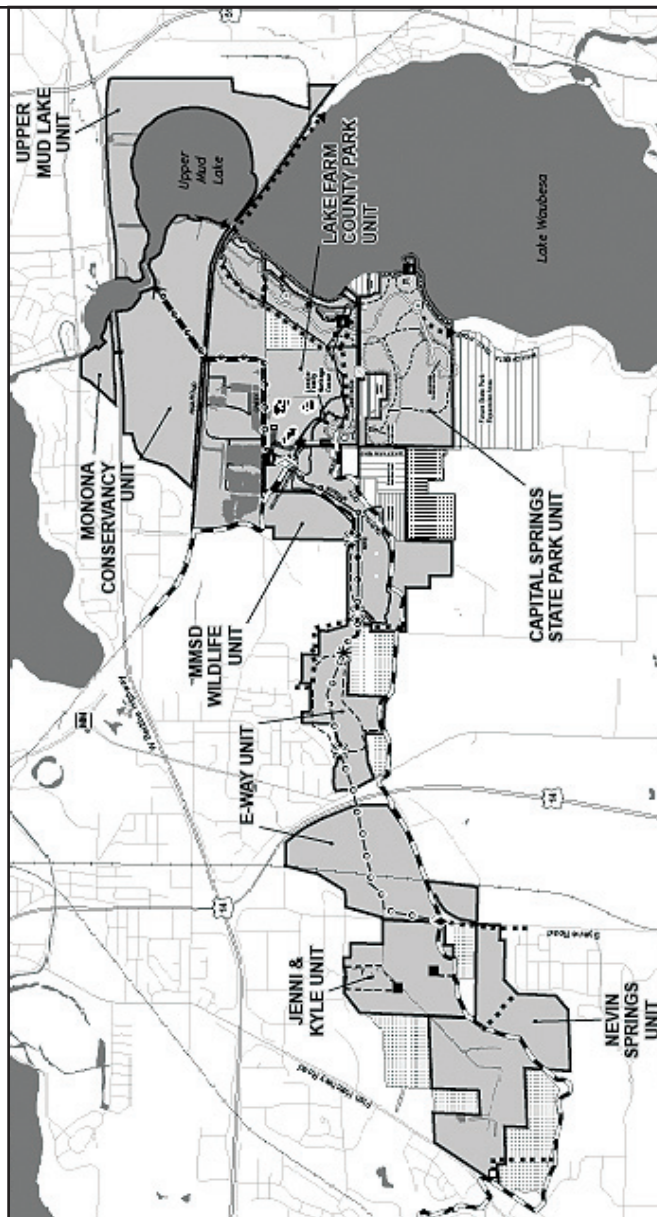

Governed by a board of directors, we partner with Dane County Parks and Wisconsin Department of Natural Resources—in addition to several other surrounding governmental agencies—to achieve FOCSRA's goals.

We host naturalist and educational programming, environmental restoration work, bike and ski events, and our annual autumn fundraiser, Harvest Moon Festival. This popular evening festival features a torch-lit trail with educational stations, music, a silent auction, food and bonfire, and draws more than 750 attendees each year.
